

Outage Notification !!

Kotzebue Electric Association

Saturday October 17th, 2020

Kotzebue Electric Association will be conducting a Scheduled outage on Feeder One to repair a conductor that is no longer deemed safe, and to also replace outdated insulators with new epoxilators.

Work needs to be done before setting an insert pole for the upcoming New Water Treatment Plant.

Outage to occur at 9:00 am, and be restored by 10:30 am.

Any Questions, please contact us at (907) 995-3707
